7C41 BMW 730d xDrive Sedan EUR 96.250,00

Technical Data

Capacity	2993 cm ³	Urban	7,2 l/100km
Output	195 kW (265 CP) la 1/min	ExtraUrban	5 l/100km
		Combined	5,8 l/100km
		CO₂ emissions	152 g/km

The values of fuel consumptions, CO₂ emissions and energy consumptions shown were determined according to the European Regulation (EC) 715/2007 in the current version applicable. The figures refer to a vehicle with basic configuration in Germany and the range shown considers optional equipment and the different size of wheels and tires available on the selected model and may vary during the configuration.

The values of the vehicles labeled with (3), are already based on the new WLTP regulation and are translated back into NEDC-equivalent values in order to ensure the comparison between the vehicles. With respect to these vehicles, for vehicle related taxes or other duties based (at least inter alia) on CO₂-emissions the CO₂ values may differ to the values stated here.
